Q. Where does Token Transit Work?

A. Token Transit passes can be used for Xpress transit and other participating operators.

Q. Must my Location be Activated on my Smart Phone?

A. Yes.

Q. Do Token Transit Passes Expire?

A. No, Token Transit passes do not expire.

Q. Who should Customers Call if there is an Issue?

- A. Go to the Help menu within the Token Transit mobile app profile.
- B. Email help@tokentransit.com or call Token Transit at 415-918-6628.

Q. How do I access my account?

A. Your account is associated with the phone number that you used when you first logged into the Token Transit mobile app. You will receive an SMS message to verify your phone number when you log in.

B. If you lose access to your phone number and would like to access previously purchased passes, contact Token Transit. Email help@tokentransit.com or call Token Transit at 415-918-6628.

Q. How do I know if my pass is active?

A. Active passes will be displayed under “My Passes,” which immediately appears when the Token Transit mobile app is opened. The app will display a “time left” message with time remaining until the pass expires. Passes that have not been activated yet will be displayed under “STORED PASSES,” and can be stored as long as you like.

Q. What is Fare Capping?

A. Fare capping is a fairer way to limit how much you pay for all your Xpress journeys in one day. If you pay and activate two (2) one-way passes (over 3-hour intervals) in one day with your Token Transit app, you will be automatically upgraded to a Round Trip pass, receiving a \$1 refund.

Xpress determines which fares are eligible for fare capping.

B. Token Transit will inform you of when your fare has been upgraded by sending an SMS or email message. Token Transit will attempt to cancel or refund existing charges to return your excess fare purchase as soon as possible. While nearly all fare capped purchases will be immediately reimbursed, there may be situations where Token Transit is required to perform a refund on your card resulting in the refund taking up to 10 business days.

Q. Which Fare Type Do I Use on Routes 476 and 480?

A. Customers who want to use the Token Transit mobile app to pay fares on routes 476 and 480 must purchase Xpress Blue Zone fares. CobbLinc fares will not be accepted on routes 476 and 480 through the Token Transit app. However, current Breeze card and cash users may continue using CobbLinc Express fares on Breeze fareboxes until December 31, 2020.

Q. Are Transfers to and from non-Xpress Transit Operators Allowed?

A. Transfers to and from other transit operators in the region are not allowed at this time.
